COMPETITIVE CATALOG

Be Extraordinary.

When you're up there defying gravity and doing the truly unbelievable, we are in awe. You inspire us to create better apparel; to support you. Everyday. In every way. After all, no one goes on the mat and says "Today, I want to be ordinary", so we only do extraordinary.

Stay passionate.

Stay dedicated to our sport, the athletes, and the communities. Remember that it's not just about stitching and embellishments, it's about dreams fulfilled and dreams in motion. You inspire us every day.

Stay authentic.

Cultivate a deep-rooted understanding of our sport and our athletes. You can't fake this. So, we don't.

Dare to soar.

Rise to every challenge so you can keep raising your game. We work with the best athletes and organizations in the world – Simone Biles, Sunisa Lee, Jordan Chiles, Jade Carey, Yul Moldauer, USA Gymnastics, Gym Canada, Gymnastics Australia, just to name a few.

Sweat the details.

Our athletes do. So, every seam, inset, fabric, and detail must help them look and perform their best. Extraordinary goes without saying, but we'll say it. Every leo we make is touched by people in more than 30 departments. We don't let "OK" or "good enough" get very far. Not here. Not for you.

Here to serve.

We are here to serve. To figure it out. To make your extraordinary dreams come true. If something goes wrong, let's make it right. Stay fast. We've got the best production times in the industry. Let's keep them.

CUSTOM SUBLIMATION

Bring your vision to life. GK offers custom design capabilities to bring your leotard and apparel dreams to life.

See pgs. 164-165 for style options.

A female gymnast is captured in a dynamic, mid-air pose. She is wearing a custom sublimated leotard, model SBG216, which features a vibrant design of magenta, pink, and black with white geometric patterns. The leotard has long sleeves and a high-cut leg. She is also wearing black leotard bottoms. Her hair is pulled up in a bun, and she is looking upwards with a focused expression. The background is a light purple gradient with large, faint, stylized letters 'P', 'B', 'D' and 'L', 'D' visible.
